Terms & Conditions

Fusions Dance reserves the right to postpone or change location and times of classes. In the unlikely event of the cancellation of a class a replacement date will be provided or the class charge reimbursed to those who have pre-paid.

Although classes are run within the bounds of health & safety, and with due regard to the students abilities, dance is a physical activity and all students that partake in fusions dance classes do so at their own risk. All students under 18 who enrol must have the signed permission of their parent or guardian
